Safety Rules and Guidance for Scaffolding Tours

We want you to enjoy your visit and your safety, and that of other visitors, is paramount. Please make your group aware of the following:

- Those going on a tour should not have any of the following medical conditions
  - A heart condition
  - Vertigo
  - Asthma
  - Are pregnant
  - Restricted mobility
  - Recently undergone surgery
  - Any restrictive medical condition
- Those going on the tour should be 18 or over
- There should be no more than 10 in the group
- Sensible footwear must be worn. No stiletto or other form of high heels
- Large bags and back packs will not be allowed
- Loose items like mobiles/pens in pockets can cause hazards if they fall from heights, please ensure loose objects are secured
- Do not rush and take care when climbing through the scaffolding and descending the stairs.

Additional guidance
- The scaffolding area is a working area. Please do not move away from the group or touch anything unless invited to by the Guide.
- Hard Hats are to be worn when on the scaffolding.

Failure to abide by the Guide’s instructions will mean the tour will cease immediately.
