FORM 9 (Rule 7)

Section 9 of Care of Cathedrals Measure 2011
Public Notice on application to the Cathedrals Fabric Commission

PUBLIC NOTICE

TAKE NOTICE that the Chapter of the Cathedral Church of:
The Cathedral and Metropolitical Church of St Peter in York, also known as York Minster

has on this date: 5th September 2023

applied to the Cathedrals Fabric Commission for approval of the following proposal: complete as on Form 8
Conservation assessment of High Altar candlesticks

Summary of the nature of work and its extent (and materials) [or in the case of an object, a short description of it and details of the proposal]

Conservation assessment of the set of six silver High Altar candlesticks, which have become unstable and visibly worn, to inform decisions relating their future care, liturgical use, conservation and management.

The candlesticks were presented to York Minster in 1958, for use on the High Altar. They have no hallmarks, and are recorded as possibly 16th century Italian: the assessment, by Richard Fox, a specialist silversmith, provides an opportunity for further research. During the assessment, the candlesticks will be disassembled to allow the condition and stability of the wooden substrate to be examined, before being re-assembled.
